Mossman Botanic Garden says thank you

MOSSMAN Botanic Garden would like to say a huge thank you for all the support received launching the membership drive at the Mossman Show. Particular thanks go to DSC for the Business Development Grant which assisted with printing membership forms and posters, likewise printed material was kindly donated by Warren Entsch MP, Federal Member for

Thumbs 

Leichhardt, and a fantastic sign for use at the show and all future meetings was made and donated by On The Spot SIGNS. As you can see in our photo the

stand was vibrant thanks to all this help.

The Mossman Botanic Garden team were really pleased with the support, enjoyed manning the stall for the show and chatting with people interested in the Garden.

For anyone who missed us, see our Facebook page.
