

The Board of Mossman Botanic Garden Inc. would like to welcome new Members.

It is with great pleasure and after much hard work that the Board of MBG is ready to open the Membership of the organisation to the Community.

MBG is a Community based Not-for-profit Organisation, determined to build a unique Wet Tropics Botanic Garden in the heart of Australia's Wet Tropics, Mossman, North Queensland. To date, with the assistance of the Federal Government, we have purchased a prime site in the town center, and completed a Master Plan and video "fly through" experience (please see our website). We are now seeking to build our membership, and with your assistance fund the building process. When complete the garden will be self-funding via its membership, entry fee to the collections area, events, and ongoing research funds where we intend to work with educational and government institutions to help unlock the secrets of our Rainforest plants.

To date, the membership has been based on a nomination process, which has kept the organisation at a manageable number. With the adoption of the 2016 Constitution, and much consideration as to the costs and benefits of Membership, The Board believes we are ready to grow in to a World Class Botanical Garden.

In exchange for a modest membership fee, MBG will deliver a quarterly newsletter to update Members on progress and activities. Whilst not having a garden in place at this time and only a volunteer group working, we are unable to offer many benefits at this stage; however, they will grow to include yearly access to the garden and special offers for events and products. This is an opportunity to get involved at a grass roots level, to help with funding activities and eventually in the building process. Please find accompanying this letter a membership form for 2017, which commences on the 1st of January.

We hope you will join us to follow the Dream of having a Community Organisation create not only environmental, educational and employment outcomes but also social outcomes for our Rainforest Community.

Kind regards,

John Sullivan
Chairperson.
Mossman Botanic Garden Inc.

The Mossman Botanic Garden Inc. invites you to become a member.

'YOUR PIECE OF THE DREAM'

Membership Application Form

MEMBERSHIP LEVELS (incl. GST)		
INDIVIDUAL MEMBERSHIP	ANNUAL FEE	Please tick
GREEN DRAGON
